

Standard

Baritone

120 BPM

|: F. C. G. Am. :| Am...

F. C.. F. C.. F. C.
Well I'm going south. Cuz I can't stay north. And I'm travelin' on
Am. G. F... Am. G. F...
Any way that I can. Any way that I can

F. C. G. Am. F. C. G. Am...
The time has come for me to fly. And if I don't leave then surely I will die
F. C. G. Am.
You know where the tracks lead, and you know how to find the road
F. C. G. Am...
You know that place that I call my home

F. C.. F. C.. F. C.
Well, I'm going east. Cuz I'm tired of the west. And I need some change
Am. G. F... Am. G. F...
Any way that I can. Any way that I can

F. C. G. Am. F. C. G. Am...
The time has come for me to fly. And if I don't leave then surely I will die
F. C. G. Am.
You know where the tracks lead, and you know how to find the road
F. C. G. Am...
You know that place that I call my home

F. C.. F. C.. F. C.
Well I'm going down. Cuz I can't stay up. And I'm dreamin' on
Am. G. F... Am. G. F...
Any way that I can. Any way that I can

F. C. G. Am. F. C. G. Am...
|: The time has come for me to fly. And if I don't leave then surely I will die
F. C. G. Am.
You know where the tracks lead, and you know how to find the road
F. C. G. Am...
You know that place that I call my home. :|
