 I'm not afraid of anything at all Not dying in a fire, not being broke again

Nothing makes me cry

C... Dm... Bb.../... C... Dm... Bb...
 Not a plane going down In the ocean, I'm drowning

Bb... F.../... C...
 Watch the world from the sidelines Had nothing to prove
 C... Dm... F... Bb...
 'Til you came into my life Gave me something to lose
 Bb... F.../... C...
 Now I know what it feels like. To wanna go outside
 C... Dm... F... Bb.../...
 Like the shape of my outline

F... F... C.../... Dm... F... Bb.../...
 I'm not afraid of going back to school. I gave it up the first time, but I'll try again

 Bbm7... Bb... C... F... Bbm7... Bb...
 Now I'm talking to my house plants. Not of being alone

 In a room full of people

Bb... F.../... C...
 Watching the world from the sidelines. Had nothing to prove
 C... Dm... F... Bb...
 'Til you came into my life. Gave me something to lose

 Like the shape of my outline And I used to think
 C.../... Dm... F... Bb...
 You could hear the ocean in a seashell. What a childish thing!
