 In 1649 To St. George's Hill A ragged band they called the Diggers
 F... /...
 Came to show the people's will.
 F... /... C... /... Bb...
 They defied the landlords They defied the laws They were the dispossessed
 C... F.../...
 Reclaiming what was theirs
 F... /... C... /... Bb... ...
 "We come in peace," they said "To dig and sow We come to work the lands in
 Bb... F... /...
 Common And to make the waste grounds grow"
 F... /... C... /... Bb... C... F.../...
 This earth divided We will make whole So it will be A common treasury for all
 F... /... C... /... Bb... /...
 The sin of property We do disdain No man has any right to buy and sell
 F... /...
 The earth for private gain
 F... /... C... /... Bb...
 By theft and murder They took the land Now everywhere the walls
 C... F... /...
 Spring up at their command
 F... /... C... /... Bb... /...
 They make the laws To chain us well The clergy dazzle us with heaven
 F... /...
 Or they damn us into hell
 F... /... C... /... Bb... C...
 We will not worship The God they serve The God of greed who feeds the rich
 F... /...
 While poor men starve
 F... /... C... /... Bb... /...
 We work we eat together We need no swords We will not bow to the masters
 F... /...
 Or pay rent to the lords
 F... /... C... /... Bb... C...
 We are free men Though we are poor You Diggers all stand up for glory
 F... /...
 Stand up now

F... /... C... /... Bb... Bb...
 From the men of property The orders came They sent the hired men and troopers
 F... F...
 To wipe out the Diggers' claim
 F... /... C... /... Bb...
 Tear down their cottages Destroy their corn They were dispersed
 C... F... /...
 But still the vision lingers on
 F... /... C... /... Bb... Bb...
 You poor take courage You rich take care This earth was made a common treasury
 F... F...
 For everyone to share
 F... F... C... /... Bb...
 All things in common All people one We come in peace
 C... F...
 The orders came to cut them down
