A... /... /... /... /... Dsus2... /... /...¹¹

I told you that I was afraid That I would have a bad trip, fall asleep and never wake
/... F#m... /... E... /...¹⁶

They told me back at school that it would happen. I believed it till I didn't

A... A... /... /.. Dsus2... /... /...²³

I told you that I was afraid Of stating my opinion in a clear and honest way
Dsus2... F#m... /... E... /...²⁸

They told me in my youth it wasn't needed Some thoughts are best deleted
F#m... E...³⁰

And everyone agreed it

F#m... E. D.../... F#m... E. A.../...³⁷

I don't know what I'm getting up for. I don't know what I'm getting up for

A... /... /... /... /... Dsus2... /... /...⁴⁴

I'm not getting taller anymore. So when I fall. It's always the same distance as before
/... F#m... /... E... /...⁴⁹

You'd think that I'd learn to anticipate it. By the millionth time I ate it

A... A... /... /... Dsus2... /... /...⁵⁶

And I told you that I wasn't scared That even if I fractured every bone, I didn't care
Dsus2... F#m... /... E... /...⁶¹

I never told a lie so confidently But you let me down so gently

F#m... E...⁶³

The concrete barely bent me

F#m... E. D.../... F#m... E. D.../...⁷⁰

I don't know what I'm getting up for. I don't know what I'm getting up for

F#m... E. D.../... F#m... E. A.../...⁷⁷

One more year, then I'll look at the score I don't know what I'm getting up for

begin single strum per measure

A... E... Dsus2... Dm... F#m... E... 85 D.../...

Kindly tell me a lie Will you look me in the eye And say it'll all be al right In the end?

A... E... Dsus2... Dm...⁸⁹

Kindly tell me a lie Will you cross your heart and hope to die?

F#m... E... D.../...⁹³

It'll all be al right In the end

I told you that I was afraid That everyone around holds me in some secret disdain
/... F#m... /... E... E... ¹²⁷
That I was held a fool so far deluded. You told me that was stupid
F#m/(...) E/(...) ¹³⁰
But could never really prove it

Tacit(...) (.) D.../... F#m... E. ¹³⁷ D.../...
I don't know what I'm getting up for. I don't know what I'm getting up for
