 There's a halo around the moon. So I know it ain't to blame
 F... F... C... C...¹⁴
 'Cause I knew what love could do But I loved her just the same
 C... C... F... F...¹⁸
 And then I let her slip away. Now I'm all alone and blue
 C... C... G... C.../...²³
 That's the price I got to pay. When there's a halo around the moon
 C... C... C... C...²⁷
 There's a ghost that haunts this town. Just ask anyone you see
 F... F... C... C...³¹
 He drags his chain around. And no spell will set him free
 C... C... F... F...³⁵
 And he looks a lot like me. And if you ask him why he's bound
 C... C... G... C... / ...⁴⁰
 He'll just say he lost the key. There's a ghost that haunts this town
 C... C... C... C...⁴⁴ F... F... C... C...⁴⁸ C... C... F... F...⁵² C... C... G...C...C...⁵⁷
 C... C... C... C...⁶¹
 There's no shelter from the storm. Without the lightning and the rain
 F... F... C... C...⁶⁵
 And love would hold no charm. If it wasn't for the pain
 C... C... F... F...⁶⁹
 And it's always been that way. No matter what you do
 C... C... G... C...⁷³ G... C...⁷⁵
 And no matter what you say. When there's a halo around the moon.
