 I wandered this world green and wild and the things in my mind are  
 G.. /..<sup>32</sup>  
 like a red sun go down.

G.. /.. D.. /.. Am.. /.. <sup>40</sup> G../..  
 Oh And I, I know you must go. And I think I know why... but I don't know why.  
 F.. C.. G.. /..<sup>44</sup>

Still I am thinking we both share a moon and a star.  
 F.. C.. G.. /..<sup>48</sup>  
 May you be safe, may we both find a place with a heart.

G.. /.. D.. /..<sup>52</sup>  
 Here, where treasures a-bound  
 Am.. /.. G../..<sup>56</sup>  
 in the things I have found, a leaf, a song come from a-bove...

G.. /.. D../..<sup>60</sup>  
 In the wood, where secrets crawl  
 Am.. /.. G../..<sup>64</sup>  
 the Earth so small, a place, a home, a dream my own...

F.. C.. G../..<sup>68</sup>  
 There'll be a tree that joins you and me from a-far.  
 F.. C.. G../..<sup>72</sup>  
 And I am certain we all share a moon and a star.
